Songs My Mother Never Sung Me

Music and Lyrics by Dave Clarke
Directed by Mieko Ouchi & Caroline Howarth

Songs My Mother Never Sung Me is an opera for families about the relationship between a Deaf mom and her hearing son. This show is bilingual, performed in ASL and sung in English without surtitles or interpretation. The heart of this touching and funny work is its intimate connection to playwright Dave Clarke's experience growing up as a CODA (Child of Deaf Adult).

Winter Tour: February to March 2024
